

## Cable Kit 3551 Interface 3130

### Mimer SoftRadio – Audio Recording

#### Remote functionality

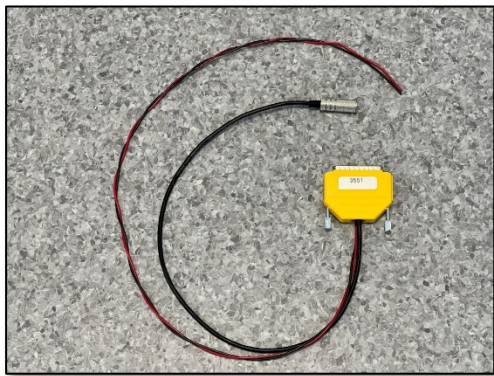

This cable kit will together with the Mimer Network Interface give an audio output for recording purposes.

Audio in SoftRadio can be patched to this interface and from there be output on the cable, making it possible to record on external analogue recorder units.

#### Cable Kit

The interface is connected to an external recorder through a 3,5mm standard audio socket.

The interface is powered through an external PSU, 12- or 24VDC, >1A.
